

Harrison Village Library

ANNOUNCING THE CHICKADEE LIBRARY CONSORTIUM!

Beginning Monday, October 16, Harrison Village Library will join Bridgton Public Library, Naples Public Library, Casco Public Library, and Raymond Village Library in the Chickadee Library Consortium, offering our patrons a shared catalog, shared collections, and shared access.

Using our online catalog, you may now request items be sent to your home library. You may also pick up items directly from a participating library. Inter-library loan service will still be available for any items not held in the shared collection.

October News

Welcome! We have some exciting events coming up this month. Please check our website regularly for the most up-to-date information.

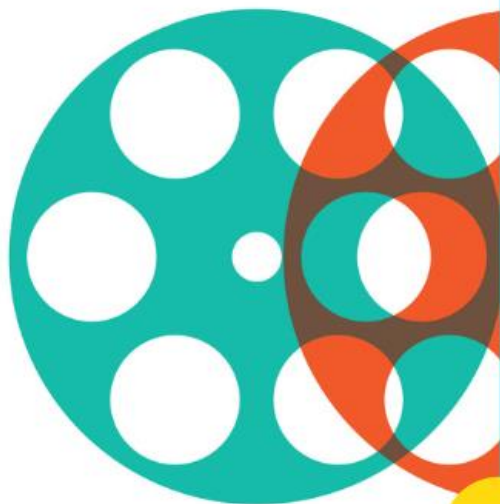

There will be some changes; library cards are coming, and our loan period will change to a three-week loan, with one three-week renewal. The overdue process will move much more quickly, in a matter of weeks, not months. We will still remain fine-free for overdue items.

We ask for your patience as we navigate this change, and as we all grow accustomed to the new system.

Forming this consortium allows us to continue to offer you convenient, high-quality service, with more reliable tech support. It also positions us to be able to join the statewide borrowing consortium; more on this later.

The library will be closed October 14, and online access turned off for the weekend, while we migrate our system.

Classic Horror Film Series Mondays at 6:00 p.m.

October 16: Invasion of the Body Snatchers (1956)

October 23: Night of the Living Dead (1968)

October 30: Psycho (1960)

Details for each film may be found on our website:
