

Harrison Village Library

May News

Welcome! Here's a look at what's new at the library. Due to limited space here, please check our website for more details on upcoming events.

Native Plants Fundraiser

Native plants have adapted to thrive in their unique climates, and require less maintenance and fewer to no pesticides. They provide food and shelter for native birds, bees and other wildlife, and are crucial to the survival of many specialized pollinators.

We have partnered with the National Wildlife Federation's Garden for Wildlife to offer an opportunity to purchase plants native to your area (currently offered for 37 states) while supporting the library. Learn more, and get the unique code for HVL, on our website.

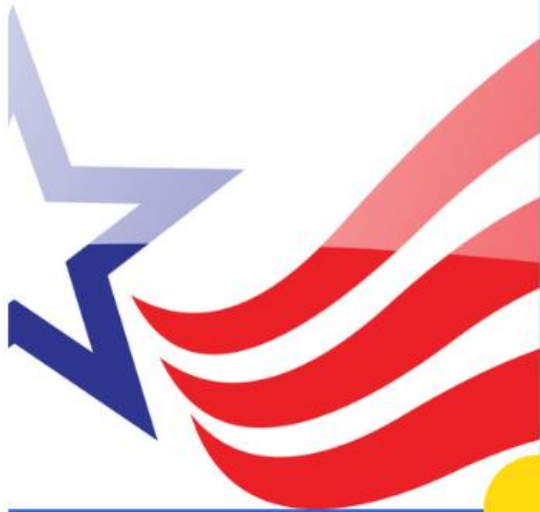

Friends of the Library News

The Friends of the Library provide many of our "extras", including the movie license and passes to the Children's Museum & Theatre of Maine and Maine Wildlife Park.

The Friends will host a Book, Bake and Plant Sale on Saturday, June 1, from 9-12. Plants from local gardens, gently used books and delicious treats will be available for purchase, with all proceeds supporting the projects of the Friends.

Information on donating for the sale is available on our website.

**SAVE THE DATE:
MEET THE CANDIDATES
Wednesday, May 29,
6:00 p.m.**

Location TBA

**Hear from the candidates for
Harrison Select Board.
Details are still being
finalized and will be on our
website shortly.**

All Eyes to the Sky for Eclipse

We had a great turn out for our Eclipse Viewing Party on April 8, with people of all ages coming together to share this rare experience.

The library received 500 eclipse glasses from the STAR Library Network, all of which had been given away by early afternoon on eclipse day!

The STAR Library Network is a hands-on learning network for libraries and their communities throughout the country. More information about the organization is available here: <https://www.starnetlibraries.org/about/>
