## Volunteer Opportunities

We could use your help! We're working to change the barcodes on the entire collection from 5 digits to 14 digits. The process involves using a computer, but is otherwise fairly simple.

We also need help keeping the garden tidy, which mainly involves weeding. If you have a couple of hours a week and would like to learn more, please contact Kathleen at [director@harrisonvillagelibrary.org](mailto:director@harrisonvillagelibrary.org)
